TO USE RESORT FUNDS FOR WORKERS' HOUSING

6 MINISTRIES TO GET OVER 1 BILLION LEI -- Viata Sindicala, No 798, 22 Apr 50

Upon the request of the Executive Committee of the General Confederation of Labor, the 1,351,000,000 lei which were to have been used for building rest houses for vacationing workers will now be used to construct living quarters for outstanding workers, technicians, and office personnel. When the original budget of the State Social Insurance was drawn up, funds were allocated for building new installations at the mountain and seashore rest resorts. Careful examination by the Executive Committee of the General Confederation of Labor showed that the present facilities of the resorts could be enlarged by repairs and by using additional quarters, which up to now have been vacant. The 1,351,000,000 lei will be given to the following six ministries for the construction of workers' quarters:

Ministry of Mines and Petroleum, 430,000,000 lei. Quarters are to be built at Moinesti, Zemes, Targoviste, Baicoi, Boldesti, Petrila, Filipesti de Padure, Capeni, Sarmasag, Comanesti, and Asau.

Ministry of Metallurgy and Chemical Industry, 445,000,000 lei. Quarters are to be built at Bucharest ("23 August" Plant), Baia Mare, Tohan (Brasov Judet), Bacau ("Muncitorul Liber" Factory), Cugir, Tarnaveni, and Valea Sadului (Gorj Judet).

Ministry of Light Industry, 96,000,000 lei. Quarters are to be built at Targoviste (Olga Bancic Spinning Mill), Iasi, Galati, Lupeni, and Padurea Neagra.

Department of Rumanian Railroads, 160,000,000 lei. Quarters to be built at Pascani, Iasi, Cluj, Simeria, and Calnic.
